# **Daniel Queiroz**

Olga Gern Pereira Street — Carvalho - Itajaí - SC · +55 47 98818-3604 www.danqueiroz.com · https://www.linkedin.com/in/dan-queiroz · https://github.com/daniel0queiroz

A driven and resilient professional with academic and professional experience across three countries. Strong analytical skills for effective problem-solving and method optimization. Skilled in programming, digital marketing and finance, with experience in web development, internal auditing, and commercial sectors. Enthusiastic about football, reading, and exploring new cultures.

#### PROFESSIONAL EXPERIENCE

Mid-Level Developer - Gao Tech - Itajaí, Brazil 🔯

Sep/2024 - Current

Design, develop, and maintain educational systems using Nuxt.js, Vue.js, Node.js, HTML, CSS, JavaScript, PHP, and Symfony. Responsible for resolving system errors and creating new interfaces to streamline enrollment management for teachers, secretaries and administrators, enhancing the experience for students across schools in the municipality of Itajaí.

# Freelancer Web Developer - Daniel Queiroz Soluções Tecnológicas - Itajaí, Brazil 🔯

Dec/2023 - Current

Design, develop, and maintain websites and applications using Nuxt.js, Vue.js, Node.js, HTML, CSS, JavaScript, and PHP for frontend development at High Code. Additionally, leverage WordPress, Bubble, FlutterFlow, and Figma to design and create intuitive interfaces for websites, applications, and systems in No Code and Low Code environments.

#### Web Developer - Instituto Santa Catarina - Itajaí, Brazil 🔯

Aug/2022 - Jan/2024

Designed, developed, and maintained websites and applications for the Santa Catarina Institute, including the creation of an app for instructors. Contributed to the development of a dashboard for students and customer companies. Utilized Nuxt.js, Vue.js, Node.js, HTML, CSS, JavaScript, and PHP for frontend development, while documenting projects and integrating backend APIs using Swagger, Express, and MongoDB to ensure seamless functionality and performance.
